June 24, 2020

**Complaint:** The Office of Police Oversight received an anonymous phone complaint stating as follows:

“I’m concerned about the violence used against the protesters and particularly the officers who shot at [REDACTED], who has brain damage. I know there are 27 other protesters who were injured including the woman who was pregnant. I’m also concerned about the Mike Ramos body cam footage that wasn’t reviewed and APD not following protocol.”
