

ICMS #: 2020-0967

June 30, 2020

Complaint: Complainant alleges: “while I manages to avoid the rally that was cancelled at the Capital, I did join the demonstration that walked through downtown. We’ve been shot at with rubber bullets a few times. Make no mistake that APD has escalates what would otherwise be a peaceful demonstration at every turn. Wondering when City Council will decide to make some changes here in Austin.”
