

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

June 10, 2022

ICMS #: 2022-0486

On June 8, 2022, the OPO received a phone complaint.

The complainant alleges: He was turning left on a green light, and someone ran the red light and t-boned his car. He was told by 911 that normally officers are not dispatched if there are no medical injuries. He read online that it is a law in the state of Texas that officers should respond to a vehicle accident to make sure everything is ok. His car is drivable but has over \$1,000 in damages and he still has not gotten a police report. He is concerned that the police did not respond just to make sure the other driver was not under the influence.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
