

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 16, 2022

ICMS #: 2022-0784

On September 12, 2022, the OPO received a phone complaint.

The complainant alleges: Sgt. [REDACTED], internal affairs, dismissed his case without taking additional information. There is always injustice or denial of civil rights, denial of equal protection under the law, and denial of equal access to the courts by police officers. Sgt. [REDACTED] sent him an e-mail at [REDACTED] stating his case was received and to contact him. He contacted Sgt. [REDACTED] and told him he wanted to deal with his case over the phone because he does not trust coming into the office. Sgt. [REDACTED] dodged his correspondence for a [REDACTED] and then told him he did not need to talk to him because he had found other information and he was closing the case. The complainant is concerned that the officer he filed the complaint against was never investigated.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
