

DISCIPLINE RECOMMENDATION

TO: Commander Shauna Griffin, Austin Police Department
FROM: Director Gail McCant, Office of Police Oversight
DATE: January 17, 2025
SUBJECT: 2024-0863 Discipline Recommendation

Dear Commander Griffin:

On August 14, 2024, the Office of Police Oversight (OPO) received an external citizen's complaint, 2024-0820, alleging an Austin Police Department (APD) officer had used excessive force during her arrest. OPO conducted a Preliminary Review that identified Officer Calvin Fusilier, AP9065, as the subject of the complaint.

On August 14, 2024, you requested that APD's IAD conduct an Administrative Investigation on Officer Fusilier's actions concerning the allegations.

Officer Fusilier is scheduled for a disciplinary meeting (DM) with you and his chain of command on January 24, 2025.

OPO Discipline Recommendation

During Officer Fusilier's IAD interview, he admitted to violating General Orders 200.2.1, 200.4 and 208.4.2. It should be noted that Officer Fusilier failed to attempt de-escalation and used excessive force on a passively resistant individual. This action is in direct violation of General Orders established by APD.

Considering the totality of the circumstances and in alignment with APD's General Orders discipline matrix, The OPO recommends the complaint be Sustained and Officer Fusilier receive a 1-5 day suspension in accordance with the Discipline Matrix.

Sincerely,

Gail McCant
Director
Office of Police Oversight
