

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 20, 2022

ICMS #: 2022-0393

On May 16, 2022, the OPO received a phone complaint.

The complainant alleges: There was an incident at [REDACTED]. One of the workers cussed him out, threw his food on the counter, spit in it, and told him to take the food to his house. He called and made a report with 311. It took APD three weeks to call him back. APD called back [REDACTED] and the lady did not have patience with him and was being coached by someone in the background who made her hang up the phone. He feels he has been reaching out to the city and has gotten the run around for the last three weeks. Officers always call his phone about something else other than what he calls about and he has a problem with APD.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
