ICMS #: 2022-0804

On September 16, 2022, the OPO received a phone complaint.

**The complainant alleges:** The complainant wants to file a complaint against Det. [REDACTED]. The complaint involves his wife ([REDACTED]) and [REDACTED] and goes back [REDACTED] years or so. The complainant reports that what Det [REDACTED] told him doesn't match the report; the complainant reports that 2 officers wrote up a report stating [REDACTED] was not at the apartment. Det [REDACTED] allegedly told the complainant he was "dropping the case" because according to the report, [REDACTED] was present. The complainant alleges a copy of the report does not say that and believes the detective is not being truthful.

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
