NOTICE OF COMPLAINT

April 22, 2022

ICMS #: 2022-0312

On April 22, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant alleges: Over the past [REDACTED] years the complainant has been having issues with the Austin Police Department, including police brutality. In [REDACTED] and [REDACTED] of [REDACTED] the complainant tried to report her identity being stolen to APD, but APD did nothing, declared the complainant incompetent, and sent her to a place with a history of mistreatment of patients. APD harassed the complainant and used excessive force that caused the complainant to lose a pregnancy and have her skull pushed in to the point that it was inverted. At the time the complainant was referred to as incompetent and had excessive force acted upon by multiple APD officers despite her small size and only being one person. The complainant says that she is upset that no one has been appointed to her case and allowed it to be handled in a timely manner.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
