

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

October 7, 2022

ICMS #: 2022-0889

On October 3, 2022, the OPO received a phone complaint.

The complainant alleges: Her son, [REDACTED], was pursued by unmarked vehicles and ambushed by APD and state troopers for a warrant from about a year ago. He was shot 10 times or more, survived, went to the hospital and in less than 24 hours was locked up in [REDACTED] County. His rights were violated; they could have handled it a little differently than they did. The complainant is asking for justice on behalf of her son. They shot him down like he was a dog. They made him crawl towards them hoping that he would collapse. [REDACTED] is MHMR and has had mental issues since he was about 16.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
