

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 23, 2022

ICMS #: 2022-0836

On September 21, 2022, the OPO received a phone complaint.

The complainant alleges: Her children's father is getting information that he has not legally requested. He is getting the information from his brother, APD Officer [REDACTED]. There was an incident at her apartment [REDACTED], which is a public record but needs to be requested. He did not request the information but got it from his brother. She does not want him to know her address but his brother is giving him access to her information and that is an invasion of her space.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
