

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

July 22, 2022

ICMS #: 2022-0596

On July 18, 2022, the OPO received an email complaint.

**The complainant alleges:** My son ( [REDACTED] ) called you on [REDACTED] because his car was stolen. Police officers were out and took the report. We just found out [REDACTED] that the police found the car the next day. Your officer never bothered to call my son and never gave the Tow Company my sons information when they called to have it towed. My son received a letter from Tow company to pick up vehicle with \$485 fees because your department couldn't do their job correctly! Had your officer just called him he could of had AAA tow it home for him for free or given the Tow company his information we could have avoided all fees. I feel you should reimburse him for the charges since you failed to do your job. I would like a response from your dept.
