328.2 POLICY

The Department strives to provide law enforcement services to our diverse community while respecting the racial, cultural, or other differences of those we serve. It is the policy and practice of the Department to provide law enforcement services and to enforce the law equally, fairly, and without discrimination toward any individual or group. Race, ethnicity or nationality, religion, sex, sexual orientation, economic status, age, cultural group, disability, or affiliation with any other similar identifiable group shall not be used as the basis for providing differing levels of law enforcement service or the enforcement of the law. 328.3 MEMBER RESPONSIBILITIES

Every member of this Department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any known instances of racial or bias-based profiling to a supervisor.

900.1.1 RESPONSIBILITY TO KNOW AND COMPLY

The rules of conduct set forth in this order do not serve as an all-inclusive list of requirements, limitations, or prohibitions on employee conduct and activities; employees are required to know and comply with all Department policies, procedures, and written directives.
