NOTICE OF COMPLAINT

September 23, 2022

ICMS #: 2022-0841

On September 22, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant was at the gas pump when Officer [REDACTED] was very rude and told him to get out of his car to make him do a sobriety test. He blew zeros. He then did the balance and walk test and was still arrested even though he blew zeros. The officer said he was going to take him downtown to do a drug test. The complainant does not do drugs. The complainant urges that the officer should be fired for arresting him when he blew zeros on the sobriety test.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
