Them he started telling me that i needed to be careful cause if not im next to being a persin that they find dead around here, now that just made me think lime damn this officer actually wishes bad on me just cause im homeless. I really feel that he has something against the homeless people ir just oeople of his race, i don"t know but it would be nice if you could just put him in another position cause he is not someone i want to encounter again to begin with he is not resourceful all he does is tell us to leave and thats all and he leaves</p>

<b>Complaint Number:</b> 2023-0078	<b>Date of Complaint:</b> 1/27/2023
<b>Complainant's Name (if given):</b>	<b>Anonymous</b> <input type="checkbox"/>
<b>Nature of complaint:</b> Improper Police Procedure	
<b>Austin Police Officers Involved:</b> Brito, Luis AP8505	<b>Unknown:</b> <input type="checkbox"/>
<b>Complaint:</b> <p>In September of 2022 I do not recall specific dates Officer Sanders came out and removed an individual from a unit with the same documents that I showed him on today, I actually have more proof today then with the previous incident. Fast forward to the last two weeks where I have been dealing with people that are not legally tied to property, yet APD refuses to work with us and get the individuals off the property. I have legal documents and recordings; I also have signs posted throughout my community that says Private Property no Trespassing. I would like the same treatment each time and not different results based off race or ethnicity which is what I feel is transpiring here. I would also like to make a formal complaint with Internal Affairs because these officers are not doing their job properly and fairly. Also, on today when I was giving an example Officer Brito (8505) decided to tell me about my ID address not matching and how that was a crime, yet he can't follow basic crime 101. I need for someone to look into this matter.</p>
