

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

January 25, 2023

ICMS #: 2023-0072

On January 25, 2023, the OPO received a phone complaint.

**The complainant alleges:** There was an incident that happened and the APD officer did not file the report correctly. He was choked and slammed to the ground by a security guard. He was assaulted with bodily injuries, so he called the police. The complainant was removed from the business as a trespasser. He told the responding officer that he wanted to file charges. The officer filed the report. When the complainant called to look up the case, it was reported as a trespassing case, not a bodily injury case. He needs to have the report corrected but no one will give him the name of the officer. What is he supposed to do?

*This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.*
