

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

December 30, 2022

ICMS #: 2022-1168

On December 27, 2022, the OPO received an online complaint.

The complainant alleges: Because of a smoldering fire I was dragged out of my home and handcuffed in 20 degree weather on [REDACTED]. I have video evidence that the police did not ring the doorbell which would have woken me and my dogs up. They kicked in the back door security door and the inner door. They forced me so sit freezing in my underwear for at least a half hour before letting me back inside. This is unacceptable behavior by APD. I demand to be recompensed for this terrible abuse of "authority" and demand the officer that handcuffed me and forced me to sit outside in my underwear be disciplined. There are damages to my home which will need to be remediated by the City of Austin.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
