

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

March 4, 2022

ICMS #: 2022-0136

On March 1, 2022 the OPO received a phone complaint.

**The complainant alleges:** A man she is familiar with ran up to officers yelling that she was taking pictures of him even though she wasn't. She was just there to pick up some food. The officers yelled at her to stop taking pictures of the man. The complainant tried multiple ways to prove that she was doing nothing wrong but the officers didn't listen. When she asked for the officers' names and badge numbers, one of them replied, "Oh you wanna do it like that now?" That officer then asked for the complainant's personal information. The other officer put his foot on the complainant's emotional support puppy. When she asked why he did that he said he was trying to pet it. The complainant is MHMR and is shook up and afraid because the officers bullied her and thought treating her horribly was ok. [REDACTED]
