

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 23, 2022

ICMS #: 2022-0834

On September 20, 2022, the OPO received a phone complaint.

The complainant alleges: His complaint is based on gender discrimination. He called 911 because his former girlfriend was trying to assault him and ultimately, he had to act in self-defense. There was no damage done. The officers had their body cams on and based on his attorney, regardless of what was discovered, the officers were going to arrest his ex based on gender or perceived gender because she is transgender. Based on that discriminatory behavior the DA has dropped the case. Depending on the response to his complaint, he may or may not seek legal remedy.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
