

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

January 20, 2023

ICMS #: 2023-0056

On January 20, 2023, the OPO received a phone complaint.

The complainant alleges: The officer that pulled him over was fishing, saying he was swerving -- but when you're driving downtown you're driving "with your head on a swivel," people are everywhere. The complainant was detained for an hour with 4 officers around him. The officer that stopped him seemed like a rookie. The supervisor's name was [REDACTED] although the complainant expressed confusion about the chain of command. The complainant doesn't drink, is a 100% disabled veteran, and blew a zero when they finally got a breathalyzer on scene. The complainant would like to talk to someone about this stop.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
