

ICMS #: 2020-1119

June 30, 2020

Complaint: Complainant alleges: “Rumors that the LRAD acoustic device has been reinstalled on the APD HQ roof? Is that not against the order by city council from a few weeks ago? As is the alleged use of pepper spray by APD last night to disperse protestors. There are also claims that police chased after fleeing protestors, tased them. Video of one protestors being held down and punched repeatedly by APD.”

This notice of formal complaint is a request for Internal Affairs to initiate an investigation in order to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
