### NOTICE OF COMPLAINT

June 24, 2022

ICMS #: 2022-0517

On June 21, 2022, the OPO received an online complaint.

**The complainant alleges:** I have been being harassed, bullied, threatened for the last two 1/2 years by my neighbor. Her name is [REDACTED]. I have every video of what she does and all her lies. So I had a meeting to go to at the apartments office due to this whole situation going on. And as I get home from my meeting I see my whole front door egged and cake and ice cream and busted eggs all over my porch. I checked my camera and I saw her do it so I called the police and he was not trying to hear me at all. I told him earlier threw a text they mentioned 187 and I also told him that he laughed at me and said he never heard that before. He then went into her apartment where I could not hear but waited for him to tell me something and I saw him just tell her to have a nice day and so I walked out and said so she just keeps getting away with this he said bc it's not my property so I feel now she feels she can and will continue to do whatever she pleases. I'm scared and I feel mistreated and he discriminated me from the time he knocked at my door. He wasn't even trying to look at videos or anything. He didn't identify himself nor give me his name or badge number or case number.
