

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

September 23, 2022

ICMS #: 2022-0831

On September 20, 2022, the OPO received a phone complaint.

The complainant alleges: He called 311 to report a stolen vehicle. He had to mail an unauthorized use of a motor vehicle affidavit and when he got it back it was submitted to APD. It took almost a month to get a response back from APD. Detective [REDACTED] told him he had an incorrect UUMV, so it was refiled and corrected. Then the complainant was told this is not a case APD is willing to take. The detective is not properly investigating the case and misrepresenting facts to the assistant DA. Detective [REDACTED] told him that the assistant DA is not willing to take the case. The complainant contacted the assistant DA who told him that the case was never presented to him. Detective [REDACTED] then presented the case as, "I am presenting this case, but you don't want to take this case." The assistant DA did not take the case because it was poorly presented by Detective [REDACTED]. The complainant is trying to work with the assistant DA because the DA's office has advised him that this is an offense they are interested in pursuing. His complaint is that Detective [REDACTED] is not properly investigating the case and not giving his case due diligence.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
