

## OFFICE OF POLICE OVERSIGHT

### NOTICE OF COMPLAINT

---

January 6, 2023

ICMS #: 2023-0014

On January 6, 2023, the OPO received a phone complaint.

**The complainant alleges:** He was a victim of a hit-and-run in a parking lot [REDACTED] months ago and no one has called him back. [REDACTED] ago his Macbook Air Pro was stolen, which is worth over \$1,000 and no one has called him. He has been given phone numbers to call and they all go to voicemail. The complainant states, "This is such a broken system...What you are doing is not working. This is embarrassing. You have crime taking place in our city and there is no immediate response from law enforcement...I don't know what y'all are working on but...stop working on those things and start working on response because it's just really disheartening as a citizen and a taxpayer...I don't doubt that you're working really hard, I'm just not sure that you're working really hard on the right things. And calling people back, filing a report, doing investigative work on crime -- it seems like that's kind of important."
