NOTICE OF COMPLAINT

October 20, 2022

ICMS #: 2022-0948

On October 20, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant alleges he was served with a lawsuit from Officer [REDACTED] Officer [REDACTED] with the Austin Police Department, is listed as the plaintiff and is suing the complainant for a previously filed complaint. The complainant alleges the language he was served with states that he intentionally and knowingly made false statements from an incident that occurred in 2018 when he filed a complaint with The Office of Police Oversight in 2020. The complainant also believes that the officer who filed the lawsuit against him used his official capacity to find his address and have him served. The complainant states he has no idea who this officer is - he said there were multiple officers in the 2018 incident and that he did not identify any of them himself. The complainant believes this is retaliation by the officer for the complainant filing the 2020 complaint.

Recommended Classification: *The OPO is permitted to make a recommendation on the classification of administrative cases.*

The OPO recommends that this allegation receive an A classification.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
