

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 13, 2022

ICMS #: 2022-0372

On May 11, 2022, the OPO received a phone complaint.

The complainant alleges: His neighbor has a mental illness and has called 911 at least eight times and each time APD has been dispatched to his apartment. After 8 times you would think they would know a little bit about the situation and know that his neighbor is mentally ill. The police chief and management can use a little bit better judgment before disturbing people.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
