

ICMS #: 2020-0875

June 5, 2020

Complaint: Ms. [REDACTED], complainant, emailed the Office of Police Oversight stating the following:

“I don't want a single life to be lost again. Please implement the following immediately. <https://8cantwait.org/> Currently Austin is behind the times, only having 3 of the following policies (requiring warning before shooting, duty to intervene, and use of force continuum).

We have to stop the violence in our community against minorities, and everyone else. These policies can make us better.”
