

OFFICE OF POLICE OVERSIGHT

NOTICE OF COMPLAINT

May 27, 2022

ICMS #: 2022-0427

On May 26, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant was in an accident with a woman who didn't have a license. APD came out and let the woman go without giving her a ticket. When the complainant asked the officer why he didn't give her a ticket the officer responded that he "didn't give her a ticket because she had been through enough dealing with you." The complainant requested a sergeant to the scene. The sergeant agreed that the officer shouldn't have said that. The complainant told the sergeant that he felt the officer's actions were racially motivated and requested the watch commander. The sergeant then left. Report # [REDACTED]

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
